DEL MAR ----- Developmental-behavioral pediatrician Dr. Sarita Doyle Eastman will headline The Winston School's fall Conversation Series "How Parents and Students Succeed with ADHD" at the school's Del Mar campus Thursday.

The free event is open to the public and will be held from 4 to 5:30 p.m. at the campus at 215 Ninth St. Guests will gather at 4 p.m. for refreshments, followed by Eastman's presentation and a student panel.

Eastman, a developmental-behavioral pediatrician with a private practice in Carmel Valley, is also one of the school's founders and a current board member. In her presentation Thursday, she plans to defuse myths about ADHD and give parents and students actionable steps to thrive once the diagnosis is made.
